ShareLife

“Living the Gospel” by caring for the elderly...

Ever since Erika had a stroke, her diminished mobility kept her from enjoying many activities. When LA Centre for Active Living planned a trip to the Garlic Festival, Erika worried her disabilities would get in the way. To Erika’s delight, the ShareLife-funded agency ensured the trip was fully accessible for her. Having the most fun she’s had in years, she felt like her disabilities disappeared. Last year, ShareLife-supported agencies provided care to over 6,300 seniors.

**May 27 is the next ShareLife Sunday.
Please give generously!**

The Opposite of Love ... is fear

One of the most consistent teachings not only of Pope Francis, but also of Pope Benedict XVI, St. John Paul II and their predecessors is that faithfulness to Jesus requires us to:

1. proclaim the dignity of every human being created in the image and likeness of God,
2. work to protect the God-given dignity and rights of all people without exception,
3. give preferential concern for the poor, weak and vulnerable and those who need our help the most.

In today's Gospel we have Jesus healing a man whom society has stripped of his human dignity because of bad health. He is a leper; he has a repulsive, fatal disease that caused the soft tissues of the body literally to rot away - you can't imagine the stench. Lepers were completely excluded from society because their disease was contagious and greatly feared. Today's equivalent would be Ebola.

It's hard to think of human dignity when you're face to face with a leper, but that's exactly what Jesus did. And he didn't just heal him from a safe distance, he touched him without all the protective gear we use for Ebola. He touched a man whom society had declared untouchable - a fearless, loving act that not only restored the man's physical health, but also affirmed his human dignity.

He loved them and affirmed the human dignity even of those who had hateful attitudes and behaviors, and even when he already knew they wouldn't respond. And notice, many times **the true opposite of love is not hate or indifference, but simply fear**, fear to love, and in the end, cowardice when faced with unpleasant things like, fear of rejection, fear of getting hurt, fear of vulnerability, fear of what others might think - ultimately **fear of freedom**.

Jesus fearlessly and lovingly breaks through barriers to restore human dignity not only to the marginalized like this lepers, but also to foreigners, sinners, to the disabled and to criminals - and unsuccessfully to his adversaries (the religious authorities) and torturers (the Roman soldiers).

He loved them and affirmed the human dignity even of those who had hateful attitudes and behaviors, and even when he already knew they wouldn't respond. He opened his heart to welcome into his life those who needed him most; making their destiny his destiny ... and to follow Jesus, we must do the same.

~ By Bishop Anthony B. Taylor

Movie: **THE 13TH DAY** (1 hr 25 min). The 13th Day dramatizes the true story of three young shepherds who experienced six apparitions of Our Lady between May and October 1917, which culminated in the final prophesied Miracle of the Sun on October 13. Our Lady gave a secret to the children told in three parts, from a harrowing vision of hell, to prophetic warnings of future events including the advent and timing of the Second World War, the spread of Communism, and the attempted assassination of the Pope.

Listen: **OUR BEAUTIFUL END** (52 MIN) We grow frustrated when sunsets fade, children grow up, and special moments pass. Will beauty be forever fleeting? Internationally known Catholic speaker, Matthew Leonard, expounds upon our experience of beauty and its powerful role in drawing us closer to our Creator and glorious home in Heaven.

Watch (53 min) **FRANCIS: The Pope of Renewal** Earthquake, revolution, openness... How to define the "Francis effect"? This Pope has gained global popularity. His style is humble and joyful...
