**SAINT OF THE WEEK**

*St. Thérèse of Lisieux*

**Virgin and Doctor of the Church**

Generations of Catholics have admired this young saint, and found in her short life more inspiration for their own lives than in volumes by theologians. Thérèse died when she was 24, after having lived as cloistered Carmelite. She never went on missions, never founded a religious order and never performed great works. Her journal called "**Story of a Soul**" inspired many by her simplicity, love and joy. Within 28 years of her death, the public demand was so great that she was canonized.

*St. Thérèse of the Child Jesus, pray for us!*

*I know now that true charity consists in bearing all our neighbors' defects - not being surprised at their weakness, but edified at their smallest virtues.*

**ST. THÉRÈSE OF LISIEUX**

***40 Days for Life – God can change hearts***

Does it really make a difference? Are my prayers really working? I hear those questions from those who stand and pray outside abortion facilities and all I can do is smile and say, "Yes, your efforts make a difference."

They made a difference in my life. I watched from inside the Planned Parenthood abortion center I managed while the first ever 40 Days for Life Campaign took place ... I wondered, Do they really think this is going to work? ... A few years later... now as part of a nationwide movement... Was it working? Yes. Clients were walking away... accepting information about alternatives from volunteers... volunteers who, everyday, told me they were praying for me...

Five years after the first 40 Days for Life Campaign, I found myself convicted to leave my job...could I just walk away... I wasn't alone. I had so much support from pro-lifers, I had once seen as the enemy... yes, their efforts had worked.

Today, nearly 7,000 babies (and counting) are alive because of 40 Days for Life... women have found healing from past abortions... Prayer volunteers have seen the reality of abortions on the faces of women leaving centers in pain. They have seen the joy and relief on the faces of those who never walked in.

I admit that, at first, 40 Days for Life made me uncomfortable. And now, I thank God for that. Being pro-life is sometimes uncomfortable...reaching out to people who have lost hope...restoring joy to those who felt they would forever live in pain.

It does not bring me joy to watch women walk out of abortion centers faces filled with despair. But I go anyway. I go because when we show up to do God's work, He shows up.

...That's just how God works. He is unexpected, unplanned, and yes, sometimes funny. I now stand alongside you in this 40 Days for Life movement... ~ Excerpt from *Forward of 40 Days for Life* book by Abby Johnson (former manager of an abortion center, now pro-life speaker).
