## SAINT OF THE WEEK

### *St. John Paul II*

John Paul II is recognized as helping to end Communist rule in his native Poland and eventually all of Europe. He significantly improved the Church's relations with Judaism, Islam, the Orthodox Church, and Anglicans. He was one of the most travelled leaders in history, visiting 129 nations. As part of his emphasis on the universal call to holiness, he beatified 1,340 and canonized 483 saints, more than the combined tally of the preceding five centuries.

## *A Catholic's guide to voting in the provincial election*

Cardinal Collins has appealed to parishioners to consider their candidates' positions on palliative care, conscience rights and the protection of faith-based facilities.

Here are some fast facts:

- Only 1/3 of Canadians have access to palliative care
- In Ontario, while doctors and nurses are not forced to provide a lethal injection to patients, they are required to provide a referral, which can be equally offensive to those who object for religious reasons
- Many faith-based hospitals and treatment centres do not wish to participate in euthanasia/assisted suicide; no health care facility offers every procedure, so it is alarming to suggest we would start with one that will kill those who are sick

To learn more about euthanasia and conscience-related rights issues, please visit [www.archtoronto.org/euthanasia](http://www.archtoronto.org/euthanasia).

## DON'T FORGET TO VOTE OCT 22

*"Catholic Social Teaching continually keeps before us our responsibility for the common good and for the poor with whom Jesus identified in a preferential way; that is why elections are conscience moments for people of faith" and "it is inconceivable that people would consciously decide not to vote."* ~ from [archtoronto.org/Blog](http://archtoronto.org/Blog)

*It is Jesus who stirs in you the desire to do something great with your lives, the will to follow an ideal, the refusal to allow yourselves to be ground down by mediocrity, the courage to commit yourselves humbly and patiently to improving yourselves and society, making the world more human and more fraternal.*
