## Thank You from Fr. Michael

Having been assigned to St. Joseph Parish as my first assignment as a priest, I have been graced with so many first experiences over the past two years here. Some unique first moments stand out for me: celebrating my first Christmas midnight mass with an empty church, reading the Passion Narrative and encountering this Scripture so profoundly with you, and preaching the depths of forgiveness through the symbol of foot-washing on Holy Thursday. Thanks be to God for being able to share in your spiritual journey.

And even more, my first experiences being invited into so many joys, struggles and sufferings of my first parish family (birthdays, anniversaries, blessings, interviews, sacramental preparation, Baptisms, first Holy Communion, Confessions, Confirmation, Marriages, Ordination, ministry gatherings, family struggles, illnesses, Anointings, funerals and deaths). Thanks be to God for being able to take part in this family journey.

My first experiences would not be complete without such supportive coworkers in the vineyard. To Fr. Paul, Dcn. Lionel and Dcn. George, your friendship was invaluable throughout this pandemic. To all the staff, ministers, liturgical volunteers and hospitality volunteers, your support and encouragement made all the difference in being able to serve our family well through changing conditions. To all the ministries, your passion was contagious. Thanks be to God for being able to share in your charity and service.

Priests have often told me that your first parish family is like your first love. You never forget them. I usually respond that I have a bad memory (this is meant to be a joke for those who didn't get it). But if you could do me a favour so that I can remember to take you into my prayers, I'd greatly appreciate it:

- ❖ Firstly, if you happen to give me a card, could you please include a printed photo of you and your family (without masks), and also write all your names on the back of the photo, as well as your home address?
- ❖ Or secondly, could you please email me at [fathercorpus@gmail.com](mailto:fathercorpus@gmail.com) with a photo of you and your family and please include all your names?

Many thanks to all of you for your prayers, gifts and cards over the past two years, they are much appreciated.

Please pray for me as I pray for you.

~ Fr. Michael Corpus

### FATHER'S DAY PRAYER

Our Lord Jesus Christ,  
we give you thanks and praise  
for all fathers in the world.

We ask you for an ever-increasing faithful and generous love of fathers and for their physical and material well-being and that they be authentic Christian fathers seeking holiness in the middle of the world so as to attain happiness here on earth and in heaven.

We pray for those whose children are lost or are suffering; may they know that the God of compassion walks with them in their sorrow.

We pray for men, especially the priests and monks, who exercise their paternity in a spiritual way and guide others with fatherly concern and advice.

We remember fathers, grandfather, and great grandfathers who are no longer with us but who live forever in our memory and nourish us with their love. Bless them and may they rest in peace. Amen.

BE A MAN!

**Becoming The Man God Created You To Be**

Have Men are rediscovering the importance of the spiritual life. And Father Larry Richards is helping them do it. While some writers apply a one-size-fits-all approach to the Christian life, Father Richards draws on his many years of ministry and his own experience as a man to inspire other men as men. In *Be a Man!*, he recounts his struggles to learn true manhood, as well as the inspiring stories of others he has served in his decades as a priest. He tells men how to focus on the right goal, how to live as a beloved son of God, of the need to acknowledge one's faults, and to live according to the Holy Spirit, to be a man of true love and of wisdom, to appreciate properly the differences between men and women, to pursue holiness, and to make a difference in the world. This is a highly readable book for men by a man who knows how to talk to men about the things that matter most.
