## The Gathering together of God's People

ECCLESIA is the Greek word which translates the Hebrew word for 'assembly'; meaning the whole People of God gathered together in His Name. The same word is used in Latin, and we translate it into English as 'Church'.

The full meaning of 'Church' is, therefore, the "Gathering together of God's People". Nowhere is the meaning of this name clearer than in the Mass, when we gather together in Our Lord's name.

~ Fr. Paul Dobson

### PICK OF THE WEEK

Sept 10, 2023

Gospel of Work with Andreas Widmer - 8 parts

What is the purpose of work? Why do so many of us struggle to find meaning in our jobs or careers?

In this 8-part video series led by Andreas Widmer,

The Gospel of Work wrestles with the significance of work, and how to find purpose in our work, no matter the field in which we labor. Informed by the teachings of the Catholic Church and inspired by what Widmer learned from Pope St. John Paul the Great while serving as a Swiss Guard in the Vatican, this series takes a close look at what Scripture and Tradition have to say about the vocation and meaning of work and the important role it plays in our human flourishing. Download the free guidebook created by Andreas Widmer exclusively for the FORMED community.
